Executive Protection Service

Safeguard your executive's business and personal life from cyberthreats

Service Description

A comprehensive solution for highly targeted employees offers 360-degree workspace protection across email, mobile/SMS, and web communication apps. Designed to safeguard organizations' most critical members, the AI-native protection service blocks advanced phishing, social engineering, ransomware, fraud, and reputation scams in business and personal communication apps.

How does this service help your organization?

● 24x7x365 Executive Concierge Service

- Onboarding services to help your team get integrated immediately and easily
- Helpdesk services to troubleshoot issues immediately
- SOC as a service to review and remediate questions around threats

● 360° Workspace Protection against sophisticated attacks in

- **Email** Blocks executive impersonation attempts, account takeovers, supply chain attacks, business email compromise (BEC), and targeted spear-phishing campaigns designed to steal credentials and personal information or induce fraudulent wire transfers.
- **Mobile Apps** Secures against SMS phishing (smishing) and mobile web phishing threats in text, WhatsApp, LinkedIn Messenger, Telegram, Outlook and more that highly-targeted individuals may encounter no matter their location. This service eliminates the risk of Executive Impersonation, Credential Phishing, Malware Exploits, Investment/Bitcoin/Financial Fraud, and more.
- **Web-based Communication Apps** Blocks sophisticated phishing in browsers and collaboration platforms such as Teams, Slack, Zoom, SharePoint and others. Protects against emerging threats like Midnight Blizzard attacks and novel vectors targeting high-value individuals.

● Deep focus on protecting highly targeted employees

- The Executive Protection Service offers unparalleled security for designated employees, including Board Directors, Executive Officers (e.g., section 16 Officers defined in The Securities Exchange Act of 1934), Accounts Payable, HR, and other business leaders.

● Priced at \$5000 monthly for up to 25 executives

● Available **NOW** through our partners
